

## **ST. VINCENT DE PAUL CARE PROGRAM**

6001 N. University, Peoria, IL 61614

691-5012 x194

Thank you for expressing an interest in our Before/After Care Program. We offer Before and After School Care for any student in afternoon Pre-K through Eighth grade. We open at **6:30 A.M.** and we bill until 8:00 A.M. After Care starts at 3:05 PM for K and 1<sup>st</sup> grade students and 3:15 PM for the rest of the students. ALL students must be picked up by **6:00 P.M.** or A LATE FEE OF \$10.00 FOR EVERY 15 MINUTES will be added to your bill. In case of an emergency, please call the School office at 691-5012 x194 and let us know.

The Care room is located in the second door to the right after you come into the school. We have several computers to play games, as well as a relaxing area with television and DVD player and things to play with. We use the gym and play outdoors when the weather permits. An after school snack is always provided, but not a morning snack. Please feel free to send breakfast or a snack with your child/children if they come to Before Care.

The pricing for the SVDP Care is \$3.50 per hour for one child with an additional \$1.00 increase per hour for each additional child. A yearly registration fee of \$30.00 for one child and \$5.00 for each additional child is also charged.

During Before Care the child/children should be brought to the Care Room and we will sign them in there. The pick up for After Care will only be in the Care Room or outside. You must come and have the Care Worker sign your child/children out for the day.

If you, the parents, are not going to pick up your child/children after school, and you have not written the person as an authorized individual on your registration form, we need to have a written note on file telling us who is allowed to pick them up. All people picking up child/children must also be prepared to show identification if asked to do so by the Care Worker who is checking out the child/children.

To register please go to <http://www.svdpvikings.com> and either register through Ren Web Parents Web or click on the Care button on the home page of the school website. From either of these places you will find a Care form to fill out and save/submit. If you prefer you may print it out and mail it to the school in care of Nila Mulvaney.

We look forward to working with you and your children. If you have any questions or concerns please contact me.

Thank you,  
Nila Mulvaney  
Director of Care
