

New Families

Welcome to St. Vincent de Paul School. Please take the time to look over the information about our school and the many opportunities St. Vincent's has to offer.

If you are interested in a personal tour of St. Vincent de Paul School or if you have any questions, contact our Principal Dr. James Minick by e-mail at drjminick@svdpvikings.com or by calling our school office at 309-691-5012.

For those who would prefer a printed version of St. Vincent's handbook, we offer a downloadable version. Just as a consideration this document is very long.

Thank you for visiting St. Vincent de Paul School online.
