

## NEWSPAPER

St. Vincent de Paul has its own newspaper written by student staff members. The Newspaper moderator will then choose a staff. Staff members meet 1x/week from 3:30-4:00 am in the computer lab on a day that is determined at the beginning of the year. The newspaper is called the Viking News. There are 5 issues/school year and it goes out to the entire school 1x/quarter and a special graduation edition comes out at the end of May.
