St. Vincent de Paul Parish Catholic Education Tuition Subsidy Policy

Supporting Catholic education at St. Vincent de Paul (SVdP) Parish is an important part of our parish because it passes on our Faith to our young people through the study of Catholic doctrine, frequent opportunities for personal and communal prayer, and active participation in the sacramental life of the Church.

The cost of Catholic education for our parishioners' children to attend SVdP Catholic School and Peoria Notre Dame High School is supported by the entire parish with the families/parents of enrolled students assuming a portion of the educational costs of their children through tuition with the remaining costs subsidized by the Sunday giving of all our parishioners.

This parish subsidy allows "active" parishioners to have their children receive a Catholic education at a reduced tuition rate as compared to each school's total cost per student.

St. Vincent de Paul Parish Tuition Subsidy Policy Requirements

The following SVdP Parish tuition subsidy policy applies to all SVdP families that have children enrolled at St. Vincent de Paul Catholic School and/or Peoria Notre Dame High School. This SVdP Parish tuition subsidy policy becomes effective with the 2023/2024 school year.

Under our policy, a school family will be considered "active" and have their children's tuition subsidized by our parish if they regularly contribute their time, talent, and treasure to support our parish. Families that do not support our parish in this manner will be charged the total cost per student to attend our grade school and Peoria Notre Dame.

Sharing of Time & Talent with Our Parish

It is important that our school families are involved with our parish community. Our parish and school are in need of volunteers for our various ministries and school activities to remain a strong, vibrant parish. Parents of our school families will be required to volunteer their time and talent to our parish and/or school in order to receive a parish tuition subsidy for their children.

A SVdP ministry / school activities sign up form is included in the registration packets (and on-line) for both the grade school and high school. This ministry sign up form will need to be filled out and returned for families to receive the "active" parishioner tuition rates for SVdP Grade School and/or Peoria Notre Dame High School.

Sharing of Treasure with Our Parish

School families will also need to support our parish financially to receive a parish tuition subsidy for their children.

To receive the "active" parishioner tuition rate for SVdP Catholic School and/or Peoria Notre Dame High School, each parish school family will be required to fill out and return a Vocare Sunday Giving Commitment Card each year and contribute to our parish financially with Sunday envelopes. The commitment cards will need to be turned in, at the latest, at the time your children are registered for the upcoming school year.

Parish school families that do not fill out and return a commitment card and the ministry /school activities sign up form will be charged the total cost per student for their children to attend our grade school and/or Peoria Notre Dame High School.

This policy is not intended to eliminate the tuition financial assistance that is provided by the John Lancaster Spalding Scholarship Grant (through the FACTS Grant & Aid Assessment) for families that cannot afford the tuition for their children to attend Peoria Notre Dame and/or St. Vincent de Paul Catholic School. If our parish tuition subsidy policy causes a financial hardship for any family, please make an appointment to see Father Willard personally to discuss your particular situation.
