NWEA MAP ASSESSMENT

January 9 - January 26

On Monday we kicked off our Winter NWEA MAPS Assessment with a "Let's Glow" theme! Each student has set a personal MAP goal and has been working throughout the first semester on their action plan to reach the goal. Teachers have been providing interventions to help students reach this goal as well. In addition to their personal goals, we have a school-wide goal of increasing our overall scores in reading and math by 2%. We can't wait to see how our students GLOW!

Please be sure your children get a good breakfast and plenty of sleep during our testing window, and inquire about their goals and outcomes.

NO SCHOOL - JANUARY 15th

There will be no school on Monday, January 15th in observance of the Martin Luther King Jr. holiday.
