## CIRCLE OF GRADE SAFE ENVIRONMENT PROGRAM

In compliance with the U.S. Bishops Charter for the Protection of Young People, Catholic schools are required to teach annual safe environment lessons to their students. St. Vincent de Paul fulfills this requirement by teaching the Circle of Grace curriculum. This will supplement and be integrated into the excellent programs and curricula for the formation of children and young people in our religious education program. Please feel free to contact us if you have questions or want more information.
